Rahim Hasnani is the co-founder of Agilosoftware, a software development house based in Karachi. He has over 26 years of experience in the software industry. He has a bachelor's degree in computing and master's degrees in business administration as well as in computing. Rahim has recently co-founded GetProfessional, a training company that focuses on professional training courses for professionals as well as soon-to-be graduate students. Rahim is a contributing author of 'Large Software Projects – Risking Life and Limb'.

Rahim is an adjunct faculty member at Mohammad Ali Jinnah University (MAJU) and teaches courses to computing undergraduate students. He has taught at Habib University, SZABIST, FAST NUCES and Hamdard University and advised graduate students in their independent research studies as well. He has also served as member of Board of Studies at SZABIST Computing Department.

Rahim has successfully completed Mediation & Conciliation Training Program (MCTP) as well as Training of Trainers Program (TTP) based on the CEDR (Centre for Effective Dispute Resolution, UK) curriculum. He has conducted mediation trainings in Karachi, Islamabad, Gilgit-Baltistan and Chitral. He was member of Conciliation & Arbitration Board for Pakistan as board member and practicing mediator. He has carried out various workshops for clients and numerous trainings for his company staff.

Overview:

IBA Dispute Resolution Forum (IBA - DRF) has designed a highly interactive and comprehensive mediation training program. This training program will enable you to mediate all civil or commercial disputes whether related to businesses, intellectual property, real estate, employment, inheritance or matrimonial etc. Participants will get a deeper understanding of various kinds of disputes and will be able to resolve them through mediation.

This training will ensure that the participants are well equipped to respond to the changing demands of the market by enhancing their skills as a dispute resolution professional and an expert mediator.

Experienced mediation trainers will provide you with in-depth learning and practical coaching. Our trainers, with a pool of industry knowledge and experience will train you to become expert mediators in your area of expertise.

Successful completion of this training with good score and 100% attendance would allow you to be considered for appointment by IBA - DRF to act as a mediator.

Target Audience:

This program is open for all especially human resource professionals, industrial relations professionals, managers, company secretaries, legal practitioners, judges, government employees, trainers, architects, chartered accountants, bankers and doctors, etc.

Aims and Objective of the Course:

- Develop mediators' skills among participant
- Provide participants with essential knowledge, skills, and competencies
- Build on / enhance existing dispute resolution skills
- Use of common framework and process for conducting mediation consistent with global practices

Eligibility:

Minimum Qualification: Intermediate/A-level Language: Basic understanding of English & Urdu

Training Plan:

- First three days: Theory and practice
- Fourth and fifth days: Practice by role playing different scenarios with the guidance of a trainer /coach
- Sixth day: Assessment of the participants on the role plays

If you would like to enroll on this course, or for further information, please get in touch with our IBA-DRF Team
