Certificate in 21st century Educational Leadership

Educational
Leadership
really matters

Overview:

The quality of leadership practices in a school can make a significant difference to the learning and achievement of students. 21st Century school leaders enthusiastically face the challenging task of preparing young minds for the future, and they think strategically about the goals and systems that will support this task.

There are a number of different traits, skills, mindsets, and habits that define 21st Century leaders. If you are looking for education leadership courses to get your school leadership team on the right path, then this

Two-month Certificate Course on '21st Century Educational Leadership' offers you personalised leadership development for yourself and various school teams you are leading. This course will enable you to critically evaluate where your school stand today and how to bridge the gap to bring necessary changes by designing various development and improvement plans.

Key benefits:

Participants will be able to

- design and present their school development and improvement plans
- Engage in various activities and will witness growth in their own learning

Dates: April 6—May 5, 2019

Days & Timing: Saturday & Sunday

Timings: 09:00 am- 02:30pm

INVESTMENT PKR 15,500/-

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader”

— John Quincy Adams
