Skills Development Program

Adding Skills to Experience

Trainer's Profile

Ms. Karima Merchant, an IBA alumnus, is a dynamic trainer with a double Masters degree in Teaching and Arts of Education from University College London. She has been in the field of education for the past 10 years where she has conducted multiple trainings and workshops for students, teachers and parents at various forums. She is currently working as the Academic Coordinator for Kindergarten at Haque Academy.

Ms. Merchant strongly believes in professional development and has attended numerous workshops, conferences and courses internationally. She has recently completed a research study that examines the impact of the Writing Eight Exercise on children's attitude and approach towards writing tasks. In addition, Ms. Merchant has served as a Director at the Aga Khan Education Service, Pakistan for 3 years and is now serving as a member of the Aga Khan Education Board for Pakistan.

Eligibility

Able to read, write and converse in English.

You can never be overdressed or over educated.

Course Overview

A certificate course of 50+ hours, spread over 9 modules on Early Child Development. Intended to enrich and evolve the teacher within you, this course will allow the participants to understand the holistic development (physical, cognitive, social/emotional and creative aspects) of the Building Blocks of tomorrow.

Course Benefits

- ◆ Platform to engage in discussion and dialogue with participants with diverse teaching experiences
- ◆ Development of social and communication skills
- ◆ Better understanding of the teaching and learning process
- ◆ Exposure to a variety of pedagogy (case studies, video clips, presentations, debates and discussions)
- ◆ Professional networking

Target Audience:

Teachers and facilitators dealing with young children (0-5 years)
