

"Life is a series of experiences, each one of which makes us bigger, even though sometimes it is hard to realize this. For the world was built to develop character, and we must learn that the setbacks and grieves which we endure help us in our marching onward."

Henry Ford

*"By three methods we may learn wisdom:
First, by reflection, which is noblest;
second, by imitation, which is easiest;
and third, by experience, which is the bitterest".*

Confucius

SKILLS DEVELOPMENT PROGRAM

Making Oral Presentations

Overview

Preparing a good presentation is an art, which requires careful analysis of many aspects of oral presentation such as familiarity of occasion, people, and context for presentation whether it is formal and informal etc. Successful oral presentations consists of 3Ps which we will discover in this two-day workshop where teachers will learn the effective strategies of preparing oral presentation, furthermore they will also learn how to improve the presentation skills of students and when and how to use oral presentation in the classrooms.
