Certificate in Designing meaningful assessment for learners

A demand of 21st Century
Teaching & Learning

Overview:

If there is one factor that distinguishes successful 21st century schools it is strong leadership. Effective principals have the vision, courage, wisdom, and professional knowledge to lead learning communities that create opportunities for all children to achieve their highest potential. The focus of the workshop will be on facilitating school leaders in designing meaningful assessment of and for learning as per the demands of 21st century skills for learners and devising authentic plans for change in their own schools.

All those head teachers, coordinators professionals, administrators who would intend to bring essential change in their schools are encouraged to attend this **28 hours'** **workshop** which aims to provide you an opportunity to envisage the gap between what is being offered at schools and what is needed in 21st century education.

Key benefits:

Participants will be able to

- Design meaningful assessment of and for learning as per the demands of 21st century skills
- Engage in various activities and will witness growth in their own learning

Dates: Feb 02—Mar 3, 2019

Days: Every Sat & Sun

Timings: 2:00 pm- 5:30pm
