

TARGET AUDIENCE: TEACHERS & COORDINATORS OF SECONDARY CLASSES (GRADE 6-10)

OVERVIEW:

Teachers, learners and Leaders learn best when they have opportunities for social interaction and the environment supports the learning. These individuals learn through social interaction where there is a notion of interdependence, they get feedback on regular bases that nurtures a positive emotional climate. Individuals Learn what is personally meaningful for them; and when they accept challenging goals.

This two days practical activity based workshop aims at embarking upon revisiting the role of secondary teachers as “facilitators” in today’s context of educational system.

CONTENTS:

- * Identify the partnership between teachers, learners and the process of learning in secondary classes
- * Discuss a few best practices of suitable learning environment in secondary classes
- * Highlight the role of teachers in assessing the learning process

Benefits to Participants

- Gap analysis on current practices of teachers, learners and the process of learning in secondary classes
- Apply practical strategies to empower students to become accountable of their learning
