Leadership and Ideas for Tomorrow

T EACHERS AS AGENTS OF LEARNING: HOW AM I DOING AS TEACHER?

Teaching and learning in current times is different than the teaching in previous decades and centuries. Instead of indoctrinating philosophies and theories which learners used to rote memorize to pass their exams, we on the other hand, are interested in promoting effective teaching and learning skills essential for the 21st-century which include confidence, creativity, and collaboration with determination. This workshop aims to prepare teachers and coordinators with knowledge-based and skills essential to lead the change and to influence learners and motivate them to become active and independent learners.
