Every child is unique and has a different mind, varied aptitude and interest. Children expect to seek autonomy to explore the world around them. Early year's education enable children's holistic development, for the purpose varied approaches are used to enable children to develop age-appropriate cognitive, psychological, emotional, social, moral and physical development.

This intense 50-hour course in Early Childhood Care and Education is a practical activity-based certificate course that aims at embarking upon revisiting the role of early years teachers. All the training participants will study the recently developed curriculum framework of ECCE that caters to children's holistic development. They will also explore various pedagogical skills using modern techniques which can easily be contextualized in their learning setting.

- Early childhood practitioners
- Early years school leaders
- Individuals aspire to join teaching Montessori teachers from the government and/or private sector, &
- Parents
