Saturday & Sunday
9:00 am to 1:00 pm Online

Training Investment : PKR 12,000 + 5% SST

Course Overview:

The popularity of remote work is growing fast. In this online workshop, you will learn how to successfully lead and manage individuals and teams who work in different locations. Acquire the tools, skills and methodologies that will help you to overcome the significant obstacles that are created by working in this way. The result is high performing teams that are highly aligned around shared purpose, processes and culture.

The Managing Teams Remotely course blends theory and practice to great effect, so the learning is embedded.
