

IBA Skills Development Program

Hybrid Workshop

The LEAD Force

*Adapting Transformational
Leadership for NextGen Schools*

March 25-May 25, 2021

Tuesday (Online) - Thursday (Hybrid)
| 2:00 pm - 5:00 pm

Training Investment: PKR 30,000 + 5% SST

Leading Schools that Embrace Evolution

Course Overview:

This training program is focused around the principles of mentoring and reflective learning, inclusive and digitally strengthened leadership. If anything, the 2020 has taught us that the people who need to evolve the most are school leaders. Therefore, this program is designed to help novice and experienced persons in leadership positions to embrace the ongoing evolution in education. The program has three focal areas as shown on the left.
